

RFDS Mobile Event Care

From country racing events to city marathons, we offer trusted and professional Mobile Event Care.

Our Mobile Event Care team provide medical support and first aid for community events, major horse racing and motor sport meets, and music festivals.

We provide high quality first aid and medical assistance at events across Melbourne and regional Victoria. Specialist medical response teams including a Doctor and Critical Care Nurses can be provided for major events.

Our Mobile Event Care teams are trained to provide professional first aid throughout your event, caring for your staff and patrons.
